Policy Forum Armenia (PFA) is an independent professional non-profit association aimed at strengthening discourse on Armenia's economic development and national security and through that helping to shape public policy in Armenia. Its main objective is to offer alternative views and professional analysis containing innovative and practical recommendations for public policy design and implementation. Through its activities, PFA aims to contribute to the creation of an informed public and more effective and accountable government. PFA's main asset is its worldwide network of professionals and leaders in their respective fields, with dedication to Armenia.
